Welcoming All

We are a United Methodist congregation committed to justice and reconciliation for all persons, regardless of age, race, economic or marital status, gender or sexual orientation.

Worship here is spiritual, intimate, celebratory, reflective, provocative and inclusive.

We are constantly renewed by the power of God's spirit and by the talents, gifts and energy of those who come here.

We express our mission through action.

In Community....

A few of the ways we put our faith into action:

The West Side Campaign Against Hunger and its emergency food pantry

Volunteer-staffed tutoring for local school children and a nighttime shelter for women without a home

Interfaith celebration and sharing

Active work to make United Methodism LGBTQ-inclusive and affirming

Overseas mission support; mission trips for youth and adults

Fellowship and action through the United Methodist Women

Artistic expression through our choir; the home we offer for theater companies in our professional theater
